

4 KEY ACHIEVEMENTS SINCE WE STARTED

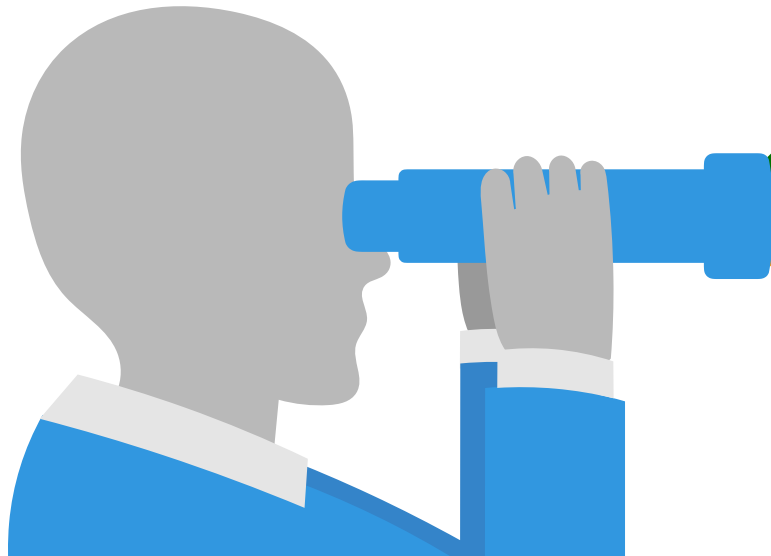

HOLMEWOOD & HEATH

Holmewood & Heath started the Community Cleanup Initiative in July 2019. It was created due to increasing litter problems in the villages and reduced Council resources to clean this up. The community decided enough was enough.

Originally the aim was for dog walkers to adopt their walking routes and help keep the area clean. In just over two months this has expanded to people without dogs, youth and community groups and anyone who cares.

We need more volunteers to register so different areas of Holmewood can be cleaned. Remember you only clean as and when you can and there is no pressure to keep doing this. It is about trying to make our village shine. We can provide cleaning materials and litter pickers free of charge

ACHIEVEMENT 1

12 community volunteers are now registered to clean footpaths, nature routes and streets covering over 55 miles every week, the area is being transformed

ACHIEVEMENT 2

In 2 months over 160 bags of rubbish have been collected with much of this being sorted and recycled by volunteers

ACHIEVEMENT 3

Miles of hedgerows and drainage channels have been cleaned of dangerous historic plastic waste which is killing local wildlife

ACHIEVEMENT 4

The community is now taking cleaning litter, recycling and the welfare of local nature seriously and this is after 2 months!

To get involved or find our more information call Paul on 07990 578684
Or visit the website: www.oxomedia.co.uk/cleanup

By getting involved you will automatically be entered into the Parish Council's Comments Hero scheme which has an annual award
